

Yale Obstetrical and Gynecological Society

YOGS

February 15, 2008

Dear Yale Ob/Gyn Colleague:

Greetings from your Yale Obstetrical and Gynecological Society. We want to invite you to attend a reception that we are sponsoring for all Yale Ob/Gyn colleagues in San Diego during the annual Society for Gynecologic Investigation (SGI) annual meeting, a second gathering in New Orleans during the annual ACOG meeting, and our first YOGS Alumni event on the Yale campus in honor of Dr. Ernest Kohorn.

The SGI reception will be held on Thursday, March 27, 2008, 7:00 – 9:00 PM, at the Manchester Grand Hyatt Hotel in Room Ford B, located on the third floor of the Seaport Tower (see enclosed map). Yale faculty, trainees, and alumni are always well represented at the SGI. We are particularly pleased that this year, current Yale colleagues (residents, medical students, fellows and faculty) have 57 accepted abstracts for the meeting and, of course, there are many others from alumni around the world. With folks attending the meeting for fun (and education), we should have a great party with many of your friends. This year's SGI meeting is extra special as we will be honoring our Chair, Dr. Lockwood, who is President of SGI, and Dr. Taylor, who is this year's Program Director. We have much to celebrate.

The ACOG reception will be held on Monday, May 5, 2008, from 6:30-9:00 PM, at the Hilton New Orleans Riverside Hotel, in the Grand Salon #3. Among the speakers and presenters at the Annual Clinical Meeting are many current Yale faculty and alumni, including Aydin Arici, John Hobbins, Lubna Pal, Al Reece, Monique Chireau, Robert Graebe, John Larsen, Rebecca Pschirrer, Thomas Moore, Donald Coustan, Alessandro Ghidini, Susan Richman, Charles Lockwood, Michael Paidas, Errol Norwitz, and Steven Fleischman.

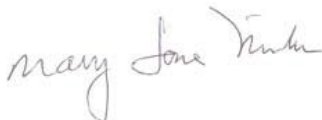

We have also been busy planning our first YOGS Reunion event in New Haven that is scheduled for Saturday, April 5, 2008. Included with this letter are the official program and invitation.

We are also pleased to enclose the premiere issue of our *YOGS Journal*. For future issues, please send me any thoughts about articles you would like to write (or recommend that colleagues write). Of course, please send me any social news you would like to communicate to your friends as well, for inclusion in our newsletter.

For those just joining YOGS, welcome to your society, and I hope to see many of you in San Diego on March 27th, at our ACOG reception on May 5th in New Orleans, and of course at our first reunion on April 5th at Yale in the TAC Building.

If you are able to attend, and we certainly hope you are, please RSVP either by e-mail to susan.andranovich@yale.edu or by phone to 203-785-3114. And be sure to check out the new YOGS website at: <http://www.med.yale.edu/obgyn/yogs/index.html>

All the best,

Mary Jane Minkin, M.D.
